9 December 2014

Dear Parents,

As you would be aware, we are implementing a number of changes to the College Uniform that we believe will enhance the presentation of your son’s appearance, improve look of the Uniform and make it easier as a College to monitor expectations in relation to the wearing of the College Uniform.

One of the changes being implemented is a change to the Senior Blazer. It will now include piping along the front lapels and collar and also enable us to embroider the College Representatives below the pocket if a student makes the First Grade Team or Senior Team in a co-curricular pursuit.

I have included a photo of the blazer as it will look and our College Captain and Vice Captains wearing the blazer. As your son will be moving into Year 11 and changing into the Senior Blazer in 2015, I thought it was the best time to implement this change.

Lowes at Burwood will be supplying the Senior Blazer, as they supply all of the other stock for our College Uniform. All you need to do is go into Lowes Burwood for your son’s measurements. This will need to be done by early 2015 to allow for manufacturing. The Senior Blazer is required to be worn in Terms Two and Three each year as well as on special occasions.

Thank you again for your continued support of the College.

Yours faithfully

Stephen Kennaugh
Principal
