29 May 2014

Dear Parents,

As you would be aware, the College will be holding its Annual Walkathon on Tuesday 24th June. It will be an all day event and the students are expected to wear their Sports Uniform.

We will be walking (7km) or running (14km) the Bay Walk Route and we have booked Leichhardt Oval 3 as our base. Students are expected at College at regular Homeroom time and will be transported by Bus to and from the venue. Students will be provided with Lunch at the venue after the Walkathon. I request that no student bring their computer or any other electrical device that they cannot keep on their person for security reasons as there will be minimal supervision of bags at the venue.

As part of the Walkathon Fundraising we are allocating students a book of 20 raffle tickets each. The cost per ticket is $1.00. We have over 100 prizes that have been donated by businesses and families as a result of the generosity of the community. All tickets sold or unsold must be returned by Friday 20th June. If students are in a position to sell more than one booklet they are able to secure more through their Year Coordinator.

Parents are most welcome to observe on the day and if they are present at the venue can take their son/s home once their name has been marked off at 1.30pm. The rest of the student body will return via Bus to the College and will be dismissed.

Thank you again for your support of the College.

Yours faithfully

Mr Stephen Kennaugh
Principal
