Dear Parent/Guardian,

An incursion has been organised for all Year 7 English students to partake in Australian Playhouse’s ‘Shakespeare: As You Write It’ on Thursday 5th May 2016 in the College Library.

The performance will be at a cost of $10.00 per student.

This performance is in conjunction with the introductory study of Shakespeare’s works, Snapshots of Shakespeare which will be studied by all of Year 7 during the latter part of Term 2. This performance should be of high calibre and an interesting way for our students to enhance their understanding and analysis of the various plays, their themes, contexts and language. It is also a wonderful opportunity for students to develop a deep knowledge and appreciation of the relevance of Shakespeare’s themes in our world today.

Students will be billed $10.00 in the Term 2 school fees.

This support of your son’s education is highly appreciated.

Yours sincerely
