### Notes

1. The School Building Levy at De La Salle College, Ashfield is billed per family. It is a compulsory levy and is therefore not tax deductible. Discounts are available for families who have school children in two or more parish primary or regional schools:

Children attending two participating schools pay 50% of the local School Building Levy to each school.

Children attending three participating schools pay 33.3% of the local School Building Levy to each school.

2. Elective subjects for Years 9 to 12 vary according to courses chosen (see Subject Selection)

3. Accounts may be paid in three (3) instalments over the first three terms. Payment can be made at the school office by cash, cheque or card, by Bpay on the internet, or over the phone using a credit card. There are also facilities to pay smaller, more regular payments by using a Credit Card Standing Authority or by Programmed Direct Deposit from a savings account. Payroll deductions can also be arranged with participating employers. Direct payments can be arranged from any Centrelink benefits that a family may receive using the Centrepay system. Using the 'regular' payment option payments (using any of the above methods or bank facilities) can be spread over the whole year. If you have any queries or require further details on any school fee or payment matters please contact the College Business Manager.

Parents who may be experiencing some difficulty with payment of fees are asked to complete a FAMILY FINANCIAL INFORMATION FORM obtainable from the Business Manager. This form, together with attached documentation, is to be returned to the Front Office in a sealed envelope, addressed to the Business Manager. It is requested that all applicants establish a SATISFACTORY PAYMENT PLAN prior to applying for financial assistance, as this will support the application.
